We are leaving at 9am.</p> 	<p>22nd Jan \$45</p> <p>Off to do one of our treasure hunts. Will you be able to work as a team to solve the clues???</p>  	<p>23rd Jan \$45</p>  <p>We will get the slip and slide out. Bring old tee shirt togs and sunscreen. In the afternoon we will watch an in-house movie.</p>	<p>24th Jan \$50</p>   <p>On the last day we will have a giant obstacle course coming, do a lollie scramble and have fun.</p>

These activities can change without notice, mainly due to weather and or supply. While the children may choose to do the planned activities, we will have all our play equipment available for them to use. It is advisable to put children in older clothes, as some of the activities use paints etc that don't always come out. Children will need to bring **HATS, DRINK BOTTLES AND SUNBLOCK EVERYDAY**, as well as food unless it states in the brochure not needed for that day as we are **doing cooking activity**. We do not supply these. It would be advisable to put in their **togs and towel (and an old tee shirt to wear over them) everyday** as it gets hot over the summer holidays and water activities are a great way for children to keep cool and release energy. (Please ensure your children have enough in their lunch box for Morn/afternoon teas and lunch.
